Partnership. Innovations. Solutions.

Together we make a difference

TENA® is always evolving to meet changing needs

TENA® understands the unique needs of bariatric residents in wanting to feel protected, comfortable and dignified in their daily lives. That's why we offer a full range of bariatric continence care and skincare solutions to help you meet their individual needs.

TENA® Bariatric Briefs

TENA Stretch™ Briefs offer 2XL and 3XL sizes to accommodate the specialized needs of larger/taller individuals and provide more dignified and comfortable care.

- **Bigger sizes** for improved comfort and security for larger residents
- **Better fit** and more secure design for added protection
- **TENA® ConfioAir™ Breathable Technology** on Stretch briefs for improved skin health
- **Odour control** for increased freshness

TENA® Classic Protective Underwear 2XL

Designed for everyday use and frequent changing.

- Provides moderate to heavy protection with full coverage
- Soft, cloth-like, breathable material has the look, feel and comfort of regular underwear
- More discreet supporting individual needs

TENA® InstaDriAir™ Securepad Underpad

With maximum strength and absorbency, this pad doubles as a repositioning underpad for Bariatric and other users.

- High absorbency: holds over **2.5 litres of urine**
- Special breathable film helps reduce risk of skin breakdown
- Super absorbent polymer with moisture lock helps control odours associated with incontinence
- Waterproof protection for linens, mattresses and furniture

TENA® Skincare Solutions

TENA® Skincare range is focused on preventative skin health and can be tailored to individual needs. TENA® Skincare solutions are non-irritating and pH neutral to protect delicate skin.

7x
more moisturizing
than soap and water[1]

TENA® Bathing Glove

Developed to better care for fragile skin, minimize cross-contamination and provide a more convenient and efficient routine to improving daily hygiene.
